Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: Although the proposed claims are in much better form for examination, they still appear to be an obvious improvement of and well within the teachings of the prior art of record. Further, Applicant's time period to respond to the Final Rejection of 8/11/05, expired no later than 2/11/06. Should Applicant wish to continue prosecution of the disclosed invention; Applicant would be required to file a Petition to Revive, with appropriate fees, or file a new Utility Patent Application, with appropriate fees..
